

Information for Sales People at Artisans on fifth Featured Artist: Shara Abel

Materials and Techniques:

- Shara uses several Cannon cameras and lenses.
- She uses Photoshop to do photo editing and composition work.
- She uses labs to print all of her photos.
- “Composite Photography” is like “Painting with Photography”. It is multiple layers of her photos, textures, and lighting. She never uses photos from someone else. She may use 10-25 photos in one composition, and each one can take 2 to 30 days to create. The photos may be taken at different locations on different days.

Helpful Information for the Customer:

- She is enrolled in New York Institute of Photography taking online courses.
- Shara offers custom portrait and composite work for clients. She accepts commissions and is happy to do portraits of children. She does not do weddings.

Packaging Instructions:

- Pack in plain newsprint and/or bubble wrap.
- Cardboard is available on top shelf on metal rack in the back room. Use packing tape to tape it together.
